CLAIMS

1. The use of one or more cannabinoids in the manufacture of a medicament for use in the treatment of neuropathic or chronic pain.

5 2. The use of one or more cannabinoids as claimed in claim 1 wherein the one or more cannabinoids comprise Δ^9 -tetrahydrocannabinol (THC).

3. The use of one or more cannabinoids as claimed in claim 1 wherein the one or more cannabinoids comprise cannabidiol (CBD).

10

4. The use of one or more cannabinoids as claimed in any of the preceding claims wherein the one or more cannabinoids comprise both THC and CBD.

5. The use of one or more cannabinoids as claimed in claim 4 wherein the THC and CBD are provided in a ratio of between 2:1 and 1:2.

15

6. The use of one or more cannabinoids as claimed in claim 5 wherein the THC and CBD are provided in a ratio of substantially 1:1.

20

7. The use of one or more cannabinoids as claimed in any of the preceding claims wherein the medicament is provided in a form capable of delivering a mean daily dose of less than 37.5 mg THC.

25

8. The use of one or more cannabinoids as claimed in any of the preceding claims wherein the medicament is packaged for delivery as a sub lingual or buccal spray to provide a daily dose of less than 25 mg THC.

9. The use of one or more cannabinoids as claimed in any of the preceding claims wherein the cannabinoids are present as a CBME.

30

10. The use of one or more cannabinoids as claimed in any of the preceding claims wherein the neuropathic pain is brachial plexus avulsion.

- 10 -

11. The use of one or more cannabinoids in the manufacture of a medicament for use in the treatment of sleep disturbance.

5 12. The use of one or more cannabinoids as claimed in claim 11 wherein the one or more cannabinoids comprise Δ^9 -tetrahydrocannabinol (THC).

13. The use of one or more cannabinoids as claimed in claim 11 wherein the one or more cannabinoids comprise cannabidiol (CBD).

10

14. The use of one or more cannabinoids as claimed in any of claims 11-13 wherein the one or more cannabinoids comprise both THC and CBD.

15 15. The use of one or more cannabinoids as claimed in claim 14 wherein the THC and CBD are provided in a ratio of between 2:1 and 1:2.

16. The use of one or more cannabinoids as claimed in claim 15 wherein the THC and CBD are provided in a ratio of substantially 1:1.

20 17. The use of one or more cannabinoids as claimed in any of claims 11-16 wherein the medicament is provided in a form capable of delivering a mean daily dose of less than 37.5 mg THC.

25 18. The use of one or more cannabinoids as claimed in any of claims 11-17 wherein the medicament is packaged for delivery as a sub lingual or buccal spray to provide a daily dose of less than 25 mg THC.

19. The use of one or more cannabinoids as claimed in any of claims 11-18 wherein the cannabinoids are present as a CBME.

30

20. The use of one or more cannabinoids as claimed in any of claims 11-19 wherein the sleep disturbance is caused by brachial plexus avulsion.
